Thanks Norm,

How much was Peck Shaffer paid for this transaction?

With whom at Peck Shaffer do you work?

Was there an actual bid notification or did Peck Shaffer just call around to entities they thought might be interested? If a bid notice was published somewhere, could you send me a copy of it by email?

Have you made a draw on the bond yet? When do you expect to and for how much?

Can you email me a copy of the bond agreement with Park?

Thanks,

Jack
