

**052808**

Wes,

Poggemeyer is putting together a high quality PowerPoint and handout for this meeting next Friday. Can you attend as our representative? I'll be out of town. Phil Honsey and his team will do the presentation. You can just chit chat, smile and lobby the heck out of everyone. Once this leaves our multi-county district I plan to ask the governor's help and that of my pals in ODOD.

Bill
