Granville Township Trustees and Fiscal Officer

After considerable thought I am resigning my elected position as Granville Township Trustee effective December 31, 2008.

It has always been my intent to serve a full term, but the current political environment created by a few local residents has made the time commitment unreasonable which sapps my energy and enthusiasm. With no clerical staff, such has left Trustees spending inordinate amounts of time fulfilling requests for information instead of working on positive projects within our community.

During the past 7 years serving as a Trustee representing the community I love, there remains an extremely proud feeling about all of the positive projects we have accomplished together. Trustees have made every decision with the belief it was right and best for Granville Township. It is also my belief every year the Township has made a significant positive gain over the previous year. Thank you for electing and providing me with the opportunity to serve such an important governmental role.

Sincerely,

Wes Sargent
